PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Applicants petition the United States Patent and Trademark Office to withdraw the holding of abandonment for failure to pay issue fee for the above-identified patent application because the fee was timely submitted.

Applicant submitted the issue fee payment on December 8, 2004 via facsimile using a form PTO-2038 to charge the issue fee and the publication fee. The PTO apparently only charged the Publication fee and not the Issue fee. Attached please find the Issue Fee Transmittal along with the Auto Reply Facsimile Transmission.

Applicants' representative notes that he also transmitted via facsimile the Issue Fee payment for 10/405,898 on December 8, 2005, shortly after transmitting the fee for the present case,

CERTIFICATE OF TRANSMISSION UNDER 37 C.F.R. 1.8

I hereby certify that this correspondence is being facsimile transmitted to the United States Patent and Trademark Office on April 19, 2005.
